

# DR. DAVID HANLEY OSTEOPOROSIS CENTRE

## Referral Form

Our phone 403-955-8050 and fax 403-955-8634

### Traditional Consultation

A traditional referral-consultation service with clinic attendance. Osteoporosis clinical team includes pre-consultation osteoporosis class and optional one-on-one dietician and pharmacy support.

### Self-Consultation Program

A group medical visit conducted by an Osteoporosis Physician and clinic support staff. Typically includes 8 to 15 patients with uncomplicated osteoporosis who share the experience of fracture risk calculation and review of therapy options. A personalized consultation letter is generated by the patient for inclusion in your medical record.

### Telephone / Email Consultation and support

for both new and prior patient referrals to the centre.
