

DR. DAVID HANLEY OSTEOPOROSIS CENTRE

Referral Form: Fax to 403-955-8634

Traditional Consultation

A traditional referral-consultation service which includes pre-consultation classes on osteoporosis, nutrition and bone health. Consultations with the physician are via phone, ZOOM or in-person at the centre.

Self-Consultation Program

Our highly rated group medical visit conducted by an Osteoporosis physician and support staff. Typically includes 7 to 10 patients with uncomplicated osteoporosis who share the experience of fracture risk calculation and review of therapy options. A personalized consultation letter is generated by the patient for inclusion in your medical record.

Telephone Consultation/Support

For new and prior referred patients.
